NAISMITH MEMORIAL  
**BASKETBALL  
HALL OF FAME**

Dear Mr. Swiatlowski:

Thanks to your support, the 2004 Naismith Memorial Basketball Hall of Fame High School Invitational was an enormous success. Over the weekend, rivalries prospered, stand-out athletes emerged, and the spirit of competition shined brightly in Springfield, as thousands witnessed high school basketball at its finest. None of these things would have been possible without your support.

Even though the tournament experienced unprecedented success this year, we are already working hard to make next year's invitational even better. We are very excited about several well-known nationally recognized high schools who have already committed to next year's tournament as well as the increasing publicity the tournament is receiving with each passing year. We are committed to celebrating high school basketball at every level by ensuring that local, regional, and national high schools benefit from this great event. As we strive to build upon the success of this year's event, we believe it's only fitting to acknowledge those whose support has made the High School Invitational a reality.

Once again, we thank you for your continued support of the Basketball Hall of Fame and community building events like the High School Invitational. We hope that you are looking forward to the 2005 High School Invitational as much as we are.
