Dear Mr. Lombardo:

On behalf of college bowlers everywhere, I would like to take an opportunity to sincerely thank you for your support of college bowling! And as a College Bowling USA (CBUSA) Tournament Director, I would like to thank you for your support of individual events. Believe me, your partnership with CBUSA is valued by each and every student athlete, as well as CBUSA!

As a former collegiate bowler, I can tell you how important your services are to college students everywhere. I wish your company would have been involved with CBUSA when I was an undergraduate. With informational packets like "Learn Now or Pay Later", student athletes are getting the kind of financial education that they need in order to stay out of debt and maintain good credit!

Your financial support of the Intercollegiate Bowling Championships (IBC) and other regional events such as the WIU-Leatherneck Classic, of which I am the tournament director, is greatly appreciated. This year, I was able to award an additional \$500 in scholarships to the teams that attended our event! As the host center for the 2005 and 2006 IBC tournament, I have learned the tremendous impact your company plays in that event as well. Without your continued support, this event would not be the extravaganza that it has grown to be since I have left college bowling!

Please seriously consider continuing your partnership with College Bowling USA! Your efforts are greatly appreciated and valued! It is not every day that a company like yours wants to get involved with collegiate student athletes. So from the bottom of my heart and every collegiate bowler out there today, tomorrow and yesterday, thank you very much for all that you do for college bowling!

Sincerely,

Shawn Wochner
