On behalf of the Vincennes University Collegiate Bowling Team, I would like to thank you and your company for their support of Collegiate Bowling. Not only is the support appreciated, but the services that your company offers to the many collegiate players just beginning their life's work is also invaluable. We wish your company continued success and hope that the relationship with collegiate bowling will continue for many years to come.

Sincerely,

A handwritten signature in cursive script, appearing to read "Gary Sparks".
